

GUEST SPEAKERS

Gaugarin Oliver

Entrepreneur and Angel Investor at CapeStart, FullIntel & Oliver G. Foundation

Sheri Palazzo

Founder, Coach and Mentor at Saplings Consulting and Senior Advisor for Engineering & Operations with Altaeros

George Ryan

CEO of Hatchwise and Founder of Flocksy

Using her work designing GPS hot-air balloons as a model, Sheri led a hands-on workshop on rapid prototyping, which involved students drafting product details for a necklace design.

George and his brother/business partner led a Logo Design and Branding Session, focusing on the importance of a detailed Design Brief and Logo Design how-to session.

GUEST SPEAKERS

Saniya Shah

Partner at ForUsApps, Forbes 30 under 30, Tedx Speaker & former CEO at Pilota (Exited to Hopper).

Being an esteemed TYE alumni, Saniya documented her entrepreneurial journey from college through her founding (and exit) from Hopper, and explained how she founded her current start-up ForUsApps. Students enjoyed learning from her experiences.

Khusboo Vaidya

Founder & CEO at EdCalibre and Founder at Boarding Pass for Success.

Khusboo led a tutorial about her gamified education platform, explaining how customer validation and successive prototypes resulted in her final product.

Aakash Shah

Co-founder & CEO High Time Foods and Partner at Wok Hospitality

Aksh spoke about the process and importance of customer discovery in the entrepreneurial process.
