MEMBERS

Aarushi Kamra
Armaan Kamra
Suprabh Rana
Akhil Gaddamadugu
Aditya Aggarwal
Zubbin Gupta

[PITCH DECK](#)

[LEAN CANVAS](#)

[VIDEO](#)

OUR IDEA

An app that helps users become aware about how much carbon emission they produce on a daily basis and allows users to automatically purchase carbon offsets based on that data.

TEAM NAME

PeerCoach

PEERCOACH
LEVEL YOUR PLAY

MENTOR

Deba Sahoo

MEMBERS

Seth Rao
Shaanveer Gupta
Nikhil Shoheen
Aadi Aaryan
Aayush Bhandary

[PITCH DECK](#)

[LEAN CANVAS](#)

[VIDEO](#)

OUR IDEA

PeerCoach is an online platform that matches high school athletes to a variety of private coaches, who are college athletes. Depending on the college, athlete and coach would meet at the coach's college facilities or a public facility. This offers a cheap, new perspective from the traditional private coaching.

TEAM NAME

Heal Us

Heal Us

MENTOR

Sindhura Ganga

MEMBERS

Anna Costache
Juhi Kundu
Anish Kulkarni
Isha Patel
Crunchy Sharma
Pragathi Ram

[PITCH DECK](#)

[LEAN CANVAS](#)

[VIDEO](#)

OUR IDEA

Heal Us is an application that explores accessible and affordable ways to help people who have had experiences with sexual abuse, by providing resources such as an open forum, and healing workshops that include writing, painting, ceramics, and yoga classes.

TEAM NAME

Connect

Connect.

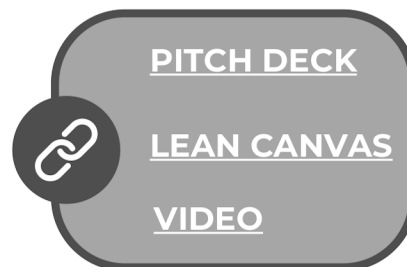

MENTOR

Priya Shah

MEMBERS

Neil Shah
Aditya Angaian
Alok Rao
Vishal Rampur
Arjun Baalan

OUR IDEA

Connect, founded by 5 high school students, provides accessible mental health resources for young people. With therapy sessions, AI advisor, and educational courses, our goal is to create a supportive community for students to thrive in.

Anya Gupta
Sydney McMahon
Sanjula Jakati
Palomi Nihalani
Shrey Shah

[PITCH DECK](#)

[LEAN CANVAS](#)

OUR IDEA

Time4Mom is a platform that supports postpartum mothers by providing them with affordable and personalizable activities to enrich their busy schedules. Our on-demand library features exclusive wellness content and live master classes, all developed by professionals who have experienced postpartum.

TEAM NAME

Debtify

MENTOR

Khushi Wadekar

MEMBERS

Prakruth Vikram
Arav Jain
Somya Lunavat
Varnika Alla
Sahil Dua
Tejas Kulkarni

[PITCH DECK](#)

[LEAN CANVAS](#)

OUR IDEA

Debtify is a multi-purpose portal created to relieve student debt. Allowing students to gather funds from others, seek scholarships, and claim multiple job opportunities are just some of the ways we plan to help students relinquish and avoid thousands of dollars of college debt.

TEAM NAME

Motiva

MENTOR

Brittany Ryan

MEMBERS

Sarayu Mudundi
Avani Jain
Nishanth Veeragandham
Zara Shaikh

PITCH DECK

LEAN CANVAS

OUR IDEA

Productivity is a major issue for students, especially those in older grades. Motiva is an app that offers customized study tips, schedules, rewards, and works on all devices. It's also inclusive of all disabilities, which is not common. Our app is marketed two ways, licensed to districts, and sold DTC with a subscription model.

TEAM NAME

Vitamaxx

MENTOR

Seshu Pasam

MEMBERS

Aunshka Kaitkay
Anuj Majumder
Aarush Raj
Mihir Kulkarni

PITCH DECK

LEAN CANVAS

OUR IDEA

Vitamaxx is a lifestyle app that helps users get all the vitamins they are missing. Our app takes in users eating habits and suggests changes that the user should make to live healthier. Users enter their food data through an Ai-based system and receive foods and recipes they should eat.

TEAM NAME
ShareWear

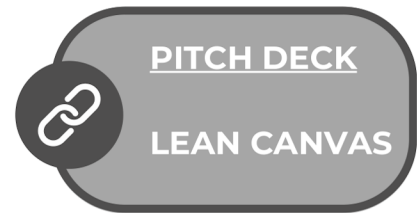

ShareWear

MENTOR
Lakshmi Juneja

MEMBERS

Samarth Chetan
Neel Sathiyantnan
Sritan Devineni
Dushyant Singh
Bhargava Vetsa

PITCH DECK

LEAN CANVAS

OUR IDEA

ShareWear is an online trading platform that aims to prevent excess clothing waste and promote reusing clothes. It allows users to negotiate deals in which they can buy, rent, or trade clothing items.

TEAM NAME

Eduplay

EDUPLAY

MENTOR

Travis Matthew

MEMBERS

Mihir Shyam
Yash Patel
Vivaan Sabharwal

[PITCH DECK](#)

[LEAN CANVAS](#)

OUR IDEA

Eduplay is an app that helps students with time management and productive studying, while rewarding them in games if they do so. Our app will allow high school students to manage their work and give them a way to turn it into a reward. We hope to give students the motivation to complete their work.

TEAM NAME

AutoPill

MENTOR

Bala Parameshwaran

MEMBERS

Hamir Pathania
Dev Merchia

[PITCH DECK](#)

[LEAN CANVAS](#)

OUR IDEA

AutoPill is an automated pill dispenser for seniors that manages medications to prevent missed doses and medication overdose. It also features a wearable vibrating device to alert users when to take medications based on inputted timings into the correlated app.

TEAM NAME

SafeSink

MENTOR

Suhrid Wadekar

MEMBERS

Henry Ramanathan
Jack Ramanathan
Agastya Parulekar
Arnav Manchala

OUR IDEA

Safe ink is a water Filtration company that gives you Affordable and accessible safe water to ensure your safety and the safety of your water.

TEAM NAME

Aqua-Sol

MENTOR

Girish Suneja

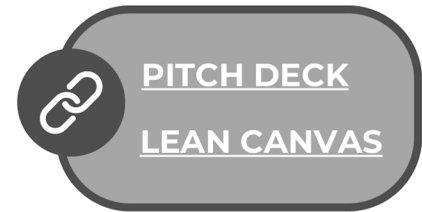

AQUA-SOL

COOLING THE WORLD, ONE SOLAR PANEL AT A TIME

MEMBERS

Soham Kulkarni
Samarth Bedre
Jacob Slavsky
Anoop Rampure
Karthik Pisupati

OUR IDEA

Aqua-Sol uses water-cooled radiators to enhance panel efficiency and extend panel lifespan. By circulating water through the radiators, we provide a solution for solar panel cooling which increases energy output and increases the longevity of panels.

TEAM NAME
HappiCare

MENTOR
Kuber Bhalla

MEMBERS

Nidhi Ramesh
Rania Mansoor
Krisha Dani
Vrinda Heda
Suvi Carlile

OUR IDEA

HappiCare is a simple tracking device that measures stress and happiness in healthcare workers through the click of one of two buttons. Our goal is to minimize physician burnout so that both patients and doctors feel satisfied with the quality of care at their hospital.
